Hi Darin,

This is regarding your question to Asaad. See below

Answer: This applies if the applicant for the medallions is someone other than the Neighborhood Council (i.e.: BID, Chamber of Commerce, Property Owners Association, etc.).

May I ask who is going to be the applicant (and responsible for maintenance) for this medallion project?

Hi Asaad.

I hope you are doing well. I have a quick question regarding the Medallions project permit requirements. When it says a letter of support:

from Historic Cultural Neighborhood Council

does that apply to any Neighborhood Council? For example, Pico Union Neighborhood Council. I appreciate your assistance in this process.

Take care,

Darin
